

PRIMEDIC GmbH is is honoured to award the

# PREMIUM PARTNER

status for the year 2026 upon

## D-SECURITE GROUPE

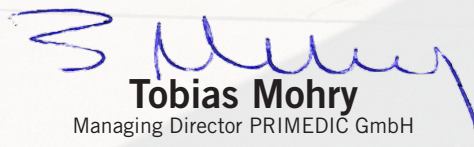

Our Premium Partners demonstrate outstanding commitment, reliability, and strategic collaboration that clearly go beyond everyday sales activities.

They combine deep product and market understanding with a long-term perspective and actively contribute to market development and expansion. By maintaining demo and replacement units and investing in joint initiatives, they ensure high level of readiness and professionalism at all times.

Our Premium Partners are closely involved in strategic topics, share insights, and actively support the implementation of common goals. Through their exceptional engagement and alignment with our values, they play a key role in driving sustainable growth, innovation, and the long-term success of our partnership.

With this recognition, we express our sincere appreciation for the contribution to our shared mission - to save lives, everywhere.
